

# Cable Harness for Steering Tube

Job No.

54—3

## A. Circuit Diagram of Cable Harness for Steering Tube

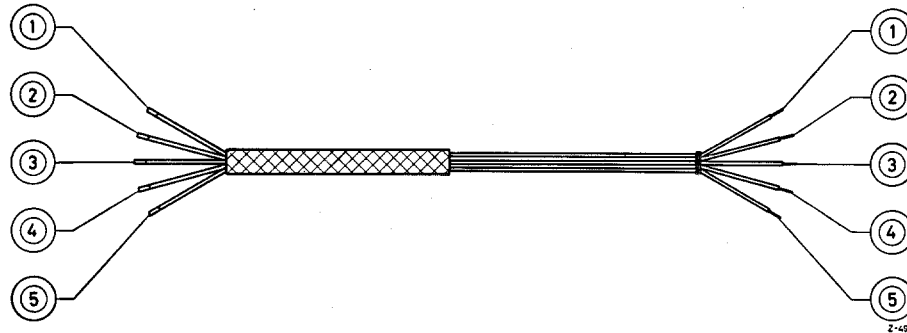

Fig. 54—3/1

## B. Appendix to Cable Harness for Steering Tube

Lead No.	Basic color	Color coding	Wiring position	Wire section in mm <sup>2</sup>
1	black	white	from cable connector, steering to contact plate at steering wheel (flash signal switch)	1.5
2	black	yellow	from cable connector, steering to contact plate at steering wheel (contact bolt)	2.5
3	black	white	from cable connector, steering to contact plate (connection flash signal left)	1.5
4	black	green	from cable connector, steering to contact plate (connection flash signal right)	1.5
5	brown	—	from contact plate at cable connector, steering (ground)	1.5
